The screenshot displays the 3uTools application interface. At the top, there is a navigation bar with icons for iDevice, Apps, Ringtones, Wallpapers, Flash & JB, Toolbox, and Tutorials. The main window shows a sidebar with categories like Info, Apps (59), Photos (285), Music, Ringtones, Videos, Books, Data, Files, and More. A central window titled 'Backup / Restore (Current iDevice: My iPhone)' is open, showing several options: 'Back up iDevice', 'Restore Data', 'Backup Password Management', 'Backups Management', 'Customized Backup', and 'Customized Restore'. The 'Customized Backup' option is highlighted with a red rectangular box. At the bottom of the interface, there is a row of icons for various functions: Install 3u for iOS, Backup / Restore, Stop iOS Update, Make Ringtone, Convert Video, Reboot iDevice, and Turn Off iDevice. A status bar at the very bottom shows 'Close iTunes', 'Version: 2.12', and a 'Check Update' button.
